Announcements

Memorial Service for Mary Lou Diehl The memorial service for long-time Prairie member Mary Lou Diehl will be held at 3:00 p.m. on Sunday, May 30, at Prairie. You are invited to join the family after the service for a potluck meal and music in the backyard of Mary Lou's home, 5729 Elder Place. You are encouraged to car pool, as street parking is limited. You may bring an instrument, in case the band invites others to join in.

Retirement Party for Rev. Ralph Tyksinski Our consulting minister, Rev. Ralph Tyksinski, will be retiring at the end of his contract term with us, on June 30th. To celebrate his years of service with us and wish him well in his retirement, we will be having a party for him on Sunday June 20th. Please contact Rebecca Malke or Aileen Nettleton if you would like to help in planning this event.

Social Action Committee News The Social Action Committee is collecting new, clean, white cotton socks for the No More Deaths humanitarian aid group, based in the Tucson, Arizona, UU church. This group assists migrants making the crossing through the desert, providing food, water, and medical attention. Socks are needed to dress blistered and bleeding feet, which is a common problem. There is a basket in the foyer for the socks, which will be delivered to Tucson in the fall.

Green Tip of the Week: From the Union of Concerned Scientists' website comes this tip about summer travel: "Know when car travel makes sense. Compared with air travel, fuel-efficient cars are often a much greener way for families to travel; even a typical midsize SUV beats air travel for a family of four, according to UCS research. However, solo travelers and couples traveling more than 500 miles should fly (nonstop coach) rather than drive. In most travel situations, the best low-carbon travel option is actually the bus."

Parish Meeting News Did you miss the parish meeting? Are you just chomping at the bit to read the nitty-gritty of the discussions? If so, just ask Kate, Prairie's administrator, for a copy of the minutes - they will be available shortly.

RE News The official RE year is over, but summer fun is just beginning! For those students in preschool and up we will have activities planned by various members of the congregation. We are in need of people to sign up for an activity on any Sunday this summer. You can weed in our Prairie community garden, play in the park, do arts and crafts, play instruments, etc. The possibilities are endless for leading a group activity; have fun and be creative! Please see Rebecca Malke or Robin Proud to sign up to help.
