Green Note: Give the gift of your time and talent to loved ones this year. Offer to make dinner, walk the dog, help with gardening or home repairs, or invite friends over for coffee and tea. (Green America – greenamerica.org)

Circle Dinner groups are set and can begin meeting. Printed contact lists for your group are available in the foyer. The groups meet monthly, each hosted by group members on a rotating basis. Your group will have to agree on a meeting date and time. It works best to select a leader/contact person to keep your dinners going smoothly. For help, see Rick Ruecking (838-8540) or Dan Proud (212-3793) from the Membership Committee.

Drop and Shop! Noon to 4:00 pm December 13

Drop your kids off at Prairie for an afternoon of games, crafts, music, movies and fun! Suggested donation is \$15 for one child, \$20 for two, and \$25 for three or more. If you don't have students in RE, consider gifting this to someone you know who does have children! It's a low-cost way to make a big impact for someone who does the daily work of raising great kids. If you know you can make it please register by emailing dre@uuprairie.org - and letting us know how many kids you plan to bring. This will help with planning.

The Humanist Union will meet on Sunday, December 7, after the service at Prairie. The meeting will start with a potluck lunch at 11:45, followed by a presentation led by Ken Haydock entitled "Quakers in the 21st Century."

Prairie UU Society Bond of Union

We, the members of Prairie, wish to associate ourselves together in a religious community which affirms that we share a common humanity, that we need one another, and that our futures are inescapably bound together. Together we would expand our intellectual horizons, enrich our sensory experiences, and deepen our emotional sensitivities. We would sharpen our ethical awareness and broaden our sense of social responsibility. We would stand tall in our quest for integrity of life, yet not at others' expense. As the prairie stretches out until it becomes one with the sky, let us reach out to touch and be one with the natural world, and with one another.
