Chalice Lighting:

At this hour, in small towns and big cities, in single rooms and ornate sanctuaries, many of our sister Unitarian Universalist congregations are also lighting a flaming chalice.

As we light our chalice today, let us remember that we are part of a great community of faith.

May this dancing flame inspire us to fill our lives with the Unitarian Universalist ideals of love, justice and truth.

– Judith L Quarles

Announcements

Green Note: Run appliances such as clothes dryers and dishwashers at night to avoid peak energy rates and the humid heat they generate. Excess humidity is more than uncomfortable – it can also be expensive, since air conditioners use extra energy to process the moisture. (wholeliving.com)

The Humanist Union's next meeting will be held on Sunday, July 19. Please note the change of date. The meeting will start with a potluck lunch at 11:45, followed by a presentation by Andy Somers about Ireland called “A Terrible Beauty is Born.”

Mark your calendars! The annual joint service with the Free Congregation of Sauk County will be held on Sunday, July 26, at Park Hall, the Free Congregation's beautiful meeting house in Sauk City. There will be a picnic afterward! (A viewing of this year's Ware Lecture by Cornell West will be held in Prairie's Meeting House for those who can't attend the service in Sauk City.)

Spanish Speakers are steppin' out in July. We'll meet at a local restaurant (yet to be chosen, but will keep you posted!) that serves, of course, Hispanic eats. The date's Monday, July 20, and we'll let you know if reservations are required. For more information about Spanish Speakers Potluck, call Rosemary Dorney at 238-4382.

Prairie's Game Night will be held on Friday, July 10. Please note the change of date.

Prairie UU Society Bond of Union

We, the members of Prairie, wish to associate ourselves together in a religious community which affirms that we share a common humanity, that we need one another, and that our futures are inescapably bound together. Together we would expand our intellectual horizons, enrich our sensory experiences, and deepen our emotional sensitivities. We would sharpen our ethical awareness and broaden our sense of social responsibility. We would stand tall in our quest for integrity of life, yet not at others' expense. As the prairie stretches out until it becomes one with the sky, let us reach out to touch and be one with the natural world, and with one another.
