## Announcements

**We will donate half our offering to Habitat for Humanity** for all of September. Habitat for Humanity is a nonprofit housing ministry which builds, renovates and repairs houses all over the world using volunteer labor and donations.

**Circle Dinner sign-up starts today** and will continue for the next few Sundays in September. Circle Dinners are rotating potlucks among assigned groups of Prairie members/families. If you join, you agree to host one meal for your group during the year. This is a fabulous way to learn more about a set of Prairie friends. The clipboard for sign-ups will be available in the foyer. Some preferences as to group size limits, schedules and other conditions can be made. Include any requests under the header that says preferences. Contact any one of us on Membership Committee if you have any questions: Heidi Hughes, Erin Bosch, Dan Proud, Rick Ruecking. Please join us!

**The Humanist Union** will meet today after the service starting with a potluck lunch at noon. The discussion will be led by Barb Park and Randy Converse on "School Kids and the Politics of Hate," looking at the impact of the current presidential campaign on our children.

**Our Craft-N-Chat program** has been a lot of fun and yielded some wonderful products that have benefited our kids in RE! Join us this fall on Saturday, October 15th from 9:30 – 12:30. This session we will be making 'sit-upons' - maybe you made one as a girl scout or boy scout? These are waterproof squares that kids can sit on when the ground is cold or wet. More info coming soon - but please mark your calendar now if you'd like to join us. We'll have light snacks and juice available.

## **Prairie UU Society Bond of Union**

*We, the members of Prairie, wish to associate ourselves together in a religious community which affirms that we share a common humanity, that we need one another, and that our futures are inescapably bound together. Together we would expand our intellectual horizons, enrich our sensory experiences, and deepen our emotional sensitivities. We would sharpen our ethical awareness and broaden our sense of social responsibility. We would stand tall in our quest for integrity of life, yet not at others' expense. As the prairie stretches out until it becomes one with the sky, let us reach out to touch and be one with the natural world, and with one another.*
