Announcements

We will share our offering this quarter with The Beacon, the day shelter for those experiencing homelessness. In addition to a warm, safe space to stay during the day, The Beacon provides shower facilities, lunch and snacks, laundry facilities, transportation to night shelters, access to phones and computers, and mental health counseling and case management.

We are collecting household goods for The Road Home, which helps homeless families find housing and maintain it. Laundry baskets for donated items are under the tables in the meeting house foyer.

Nifty Gifty today! The RE kids will spend the morning creating craft gifts.

Soup Pizza Sunday! Stay after the service for pizza, hot dogs, and finger foods!

Symbol Tree Service December 23! The Symbol Tree is a Prairie tradition. Bring a memento from the past year to decorate our Symbol Tree. It can represent any milestone from the past year (a picture, a report card, a baby’s footprint, a key, anything that will fit on the tree). Come prepared to share the story behind the decoration.

Justice Across Borders, Stories of Hope, 2018-2019, is the theme for the current Guest at Your Table (GAYT) program, the UUSC’s annual fundraising effort to support people around the world who are fighting for basic human rights. We have been giving out brochures that tell the stories and the GAYT boxes for your contributions. If you have not yet received the box and the brochure, please be sure to pick them up this morning; they are available in the lobby. We encourage you to bring the boxes back to Prairie -- full of your change, your currency, your checks – your choice! – on Symbol Tree Sunday. THANK YOU!!

Prairie UU Society Bond of Union

We, the members of Prairie, wish to associate ourselves together in a religious community which affirms that we share a common humanity, that we need one another, and that our futures are inescapably bound together. Together we would expand our intellectual horizons, enrich our sensory experiences, and deepen our emotional sensitivities. We would sharpen our ethical awareness and broaden our sense of social responsibility. We would stand tall in our quest for integrity of life, yet not at others’ expense. As the prairie stretches out until it becomes one with the sky, let us reach out to touch and be one with the natural world, and with one another.
