Be ours a religion, which like sunshine, goes everywhere; its temple, all spaces its shrine, the good heart; its creed, all truth; its ritual, works of love; its profession of faith, divine living. – Theodore Parker

\*Please stand as you are able.

### **Announcements**

We will share our offering this quarter with the Tenant Resource Center, which provides information and counseling to help resolve tenantlandlord problems in Dane County. The center also provides services to homeless people and those facing homelessness.

We are still collecting household goods and housewares for the Tenant Resource Center and The Road Home. A complete list is posted in the lobby. You can leave items in baskets under tables in the lobby or ask a member of the Social Action Committee for help moving things. Thank you for your generosity!

Help us clear out the Meeting Hall! After the Parish Meeting, grab a chair or 2 and bring them to the Annex.

**Prairie's Spring Parish Meeting** will be held today after the service. We will be electing Board members, hearing from the Remodeling Committee, learning about the plans for meeting space during the remodel, voting on bylaws changes, and taking care of usual Parish business. This is also the day we need to have everything moved out of the meeting hall.

**Our current art display** are all pieces created by children. Please join us for our Transition Service on June 2!

**Next Sunday's service** will be "If These Walls Could Talk," a review of the good times we've had in the Meeting Hall. *Please note that we will be meeting in the Annex next Sunday.* 

#### Prairie UU Society Bond of Union

We, the members of Prairie, wish to associate ourselves together in a religious community which affirms that we share a common humanity, that we need one another, and that our futures are inescapably bound together. Together we would expand our intellectual horizons, enrich our sensory experiences, and deepen our emotional sensitivities. We would sharpen our ethical awareness and broaden our sense of social responsibility. We would stand tall in our quest for integrity of life, yet not at others' expense. As the prairie stretches out until it becomes one with the sky, let us reach out to touch and be one with the natural world, and with one another.
