Chalice Lighting: *The Pride Flame* By
Linda Lee Franson

We light this flame
to ignite our hearts and minds—
the spark of knowledge that enlightens,
the shimmering hope that burns,
the blazing love that engulfs our actions,
the bonfire of our commitment.

We light this flame for those
who celebrate themselves
who fear
who hope
who persevere
who stand on the side of love for all.

We light this flame
for those who have been ridiculed,
that they may find peace;
for those who have fought to marry,
that they may celebrate;
for those who live in uncertainty in the world,
that they may have hope.

We light this flame
to renew our commitment
that no one shall ever again
suffer for the right to love.

We light this flame
to celebrate our kaleidoscope of diversity:
working, loving, and living on the side of love.
For this, we light this flame.

Closing Words: *For a New Home* by John
O’Donahue

May this house shelter your life.
When you come in home here,
May all the weight of the world
Fall from your shoulders.

May your heart be tranquil here,
Blessed by peace the world cannot give.

May this home be a lucky place,
Where the graces your life desires
Always find the pathway to your door.

May nothing destructive
Ever cross your threshold.

May this be a safe place
Full of understanding and acceptance,
Where you can be as you are,
Without the need of any mask,
Of pretense or image...

Prairie UU Society Bond of Union

We, the members of Prairie, wish to associate ourselves together in a religious community which affirms that we share a common humanity, that we need one another, and that our futures are inescapably bound together. Together we would expand our intellectual horizons, enrich our sensory experiences, and deepen our emotional sensitivities. We would sharpen our ethical awareness and broaden our sense of social responsibility. We would stand tall in our quest for integrity of life, yet not at others' expense. As the prairie stretches out until it becomes one with the sky, let us reach out to touch and be one with the natural world, and with one another.

We are sharing our [Offering](#) this quarter with the *Street Pulse*. This provides an income and outlet for marginalized Madison residents
