## *Circle Game*

*Yesterday a child came out to wonder  
Caught a dragonfly inside a jar  
Fearful when the sky was full of thunder  
And fearful at the falling of a star*

### *Chorus*

*And the seasons they go round and round  
And the painted ponies go up and down  
We're captive on a carousel of time  
We can't return, we can only look  
Behind from where we came  
And go round and round and round in the circle game*

*Then the child moved ten times round the seasons  
Skated over ten clear frozen streams  
Words like "when you're older" must appease him  
And promises of someday make his dreams*

*16 springs and 16 summers gone now  
Cartwheels turn to carwheels through the town  
And they tell him "Take your time it won't be long now  
Til you drag your feet to slow the circles down"*

*Years spin by and now the child is 20  
Tho' his dreams have lost some grandeur coming true  
There'll be new dreams, maybe better dreams and plenty  
Before the last revolving year is through*
