Closing Words

The Offering today is given to support continued partner church exchange visits for the young people of Nagy Ajta.

Your generosity strengthens the bridge between Unitarians in Transylvania and U.U.s in America with pillars of mutual understanding, exchange of ideas, and hope for the future. Person to person, face to face, we can change the world.

Announcement: Bela is giving a series of talks (see flyers) and selling embroideries and handicrafts, to benefit the youth exchange program.
