*Stand by This Faith*

Stand by this faith. Work for it and sacrifice for it.

*There is nothing in all the world so important as to be loyal to this faith which has placed before us the loftiest ideals,*

Which has comforted us in sorrow, strengthened us for noble duty and made the world beautiful.

*Do not demand immediate results but rejoice that we are worthy to be entrusted with this great message,*

That you are strong enough to work for a great true principle without counting the cost.

*Go on finding ever new applications of these truths and new enjoyments in their contemplation, always trusting in the one God which ever lives and loves.*

## Announcements

**Green Note** Take care of your fridge. The refrigerator is one of the biggest energy-users in your home, and if it was built before 1993, it's a huge energy hog. Clean the coils on your fridge every six months to keep it running efficiently, and take up unused space with jugs of water, which will hold in the cold better.

**Mini-retreat October 15** Since we are moving our annual retreat from the fall to the spring, we are planning a one-day retreat at Prairie this fall, for this transition year. It will be similar to our longer retreats but it will consist of just one very full Saturday, no overnights. The Arboretum and Marlborough Park will be used for outdoor activities like nature walks and active games. Prairie meeting rooms will be used for discussion groups and crafts. There will be child care providers on hand for the very youngest among us. If you have an idea for a group activity you would like to lead, or if you would like to help with the general planning, please contact Erin Bosch. There will be a Talent Show, so be thinking of what you might like to perform!

**Ice Cream Social September 3** Prairie will have an Ice Cream Social on September 3 from 3:00pm to 4:30pm. Root beer will be on hand for those who would like a root beer float!

The next **Spanish Speaker's Potluck** will be held on Monday, August 22. It is currently scheduled to be at Prairie, but watch this space for updates.

## Prairie UU Society Bond of Union

*We, the members of Prairie, wish to associate ourselves together in a religious community which affirms that we share a common humanity, that we need one another, and that our futures are inescapably bound together. Together we would expand our intellectual horizons, enrich our sensory experiences, and deepen our emotional sensitivities. We would sharpen our ethical awareness and broaden our sense of social responsibility. We would stand tall in our quest for integrity of life, yet not at others' expense. As the prairie stretches out until it becomes one with the sky, let us reach out to touch and be one with the natural world, and with one another.*
