**Green Note** Keep your tires properly inflated! You can improve your gas mileage by up to 3% by keeping your car tires properly inflated. It would be like saving the equivalent of \$.11/gallon. You should check the pressure each month. The proper tire pressures for your car are found on a sticker on the driver's side door jamb or in the glove box or in the owner's manual. Properly inflated tires keep you safer and make the tires last longer too. You can check your tire pressures with gauges built into the hose at: (1) the Mobil station on Verona Rd. behind Prairie and (b) the BP station near the Glenway golf course and West High (intersection of Glenway and Mineral Point Rd.)

**Please stay after the service** to welcome Pastor Sandy! Coffee, tea, juice, and snacks will be provided.

**The Prairie Elders** will meet on Tuesday, September 25, from 1:30 to 3:20, in the Nakoma Room, Heritage Oaks Building, Oakwood Village West. This month's topic will be Privatization of American Public Schools. If convenient, bring your own beverage cup and a few snacks.

**INTERESTED In a Support Group around “Supporting Aging Parents”?** We on the Caring Committee realize there are a number of us in the zone of parental caretaking as our parents age. We'd like to gather to share resources, stories and support. Katherine Peterson and Aileen Nettleton from the Caring Committee will facilitate our first session. We will base it on the concerns of those who come. We will meet from 11:45-1:30 on Sunday, October 14, in one of the classrooms at Prairie. Feel free to bring finger food to share. Please contact Katherine at feelgoodyoga@mac.com (608-205-4366) or Aileen at aanett@sbcglobal.net (238-6053) if you are able to join us so we plan for a space for all. If those who attend wish to meet further, we will plan accordingly at this meeting, but if you wish to come just once, you are welcome.

### **Prairie UU Society Bond of Union**

*We, the members of Prairie, wish to associate ourselves together in a religious community which affirms that we share a common humanity, that we need one another, and that our futures are inescapably bound together. Together we would expand our intellectual horizons, enrich our sensory experiences, and deepen our emotional sensitivities. We would sharpen our ethical awareness and broaden our sense of social responsibility. We would stand tall in our quest for integrity of life, yet not at others' expense. As the prairie stretches out until it becomes one with the sky, let us reach out to touch and be one with the natural world, and with one another.*
