Green Note Winterize your vehicle by checking your air filter and fluid levels, checking tires for tread wear and proper inflation, and checking the condition of your windshield wipers. Ensuring your vehicle is ready for weather changes will reduce damage, which prevents waste from broken parts, and will keep you safe on the road.

Supporting Our Aging Parents Group Join us for our second session of “Supporting Our Aging Parents” group, facilitated by Katherine Peterson and Aileen Nettleton of the Caring Committee. We will meet from 11:45 to 1:30 on Sunday, December 9, in the large classroom downstairs. Share your concerns, stories, and resources with one another. New participants are welcome. We will begin promptly at 11:45 with finger food. Please contact Katherine or Aileen to be sure we make space for you!

Orientation Set for November 17 On Saturday, November 17, 9 am until noon, there will be an orientation for new members and recent visitors. The session will be attended by newcomers plus a few long-time Prairie members. First, the veterans will share their personal religious backgrounds and journeys and how they ended up at Prairie. Then the newcomers will be invited to share their journeys, but it's okay to pass if you would rather just listen. Next, someone will briefly share some UU history, some Prairie history, and how Prairie is currently organized and operates. Rick Ruecking is the organizer and our part-time minister Sandy Ingham will also be there. Call Rick if you have any questions or to let him know that you are attending (838-8540).

Prairie's Fall Parish Meeting will be held on Sunday, November 18, after the service and Soup Sunday. Agenda items include a policies report, fiscal and budget report, committee reports, and a minister report.

Soup Sunday will be held *next Sunday* after the service and before the Parish Meeting.

Prairie UU Society Bond of Union

We, the members of Prairie, wish to associate ourselves together in a religious community which affirms that we share a common humanity, that we need one another, and that our futures are inescapably bound together. Together we would expand our intellectual horizons, enrich our sensory experiences, and deepen our emotional sensitivities. We would sharpen our ethical awareness and broaden our sense of social responsibility. We would stand tall in our quest for integrity of life, yet not at others' expense. As the prairie stretches out until it becomes one with the sky, let us reach out to touch and be one with the natural world, and with one another.
