Announcements

Green Note: Hawaii has approved legislation banning sunscreens containing oxybenzone and octinoxate due to their affects on aquatic life. These chemicals have also been show to have negative affects on people as well. When choosing a sunscreen, look for products that contain “non-nano” titanium dioxide and/or zinc oxide. They’re much safer for us and the environment.

We will share our offering for the second fiscal quarter with Project Respect. Project Respect is a women's center which provides advocacy, case management, counseling, crisis intervention, transitional housing, and a safe, nonjudgmental space for peer support group services for women with a history of prostitution.

The Spring Parish Meeting will be held on Sunday, May 20, after the service and during Soup Sunday. We’ll hear from the Finance Committee, the Remodel Planning Group, the Social Action Committee, and elect Board members. Please plan to attend! We’ll try to keep it short.

Benefit Allied Neighborhood: Beautiful photographic note cards created by Diane Stevens are for sale in a basket in lobby. All proceeds go to Allied Partners for eviction prevention and special projects.

The Humanist Union will meet in the Annex today after the service. Potluck lunch begins at 11:45, program begins at 12:30. This month, Doug Renk will bring a photo-illustrated presentation titled *Forward! Marching Band History: Activism and Solidarity through Music*. The Forward! Marching Band believes “in using music to help fuel social change, have fun, and build community.”

Prairie UU Society Bond of Union

We, the members of Prairie, wish to associate ourselves together in a religious community which affirms that we share a common humanity, that we need one another, and that our futures are inescapably bound together. Together we would expand our intellectual horizons, enrich our sensory experiences, and deepen our emotional sensitivities. We would sharpen our ethical awareness and broaden our sense of social responsibility. We would stand tall in our quest for integrity of life, yet not at others' expense. As the prairie stretches out until it becomes one with the sky, let us reach out to touch and be one with the natural world, and with one another.
