**Chalice Lighting:** by Amy Carol Webb  
We light this flame  
For the art of sacred unknowing.  
Humbled by all that we cannot fathom in this  
We come into the presence of what we do know  
Perhaps the only thing we can ever know:  
That Love is now and forever  
The only answer to everything  
And everyone  
In every moment.

**Offering and Offertory:** *Valse Sentimentale* by Franz Schubert performed by Amber

**Closing Words:** *Wholeness* by Sharon Wylie

We speak so often of brokenness in religious life,  
Let us speak today of wholeness.  
You are welcome here, all of you  
Every part of you beautiful just the way you are  
Here you do not need to be something more or something less  
No holding back, no hiding  
No exerting yourself, no trying to do more or be more  
You have inherent worth and dignity  
Nothing to prove here,  
Nothing to prove to me or the person sitting next to you or to the children or to anyone  
You don't have to try and be witty or more quiet or more outgoing  
You are beautiful; every part of you beautiful just the way you are  
You do not need to change anything about yourself to be welcome here:  
Your skin, your hair, your belly, your limbs, your face—  
all beautiful just the way they are  
You are extraordinary  
Each and every one of you different from each and beautiful in your own beautiful way,  
Breathtaking.  
Let us worship together!

**Prairie UU Society Bond of Union**

We, the members of Prairie, wish to associate ourselves together in a religious community which affirms that we share a common humanity, that we need one another, and that our futures are inescapably bound together. Together we would expand our intellectual horizons, enrich our sensory experiences, and deepen our emotional sensitivities. We would sharpen our ethical awareness and broaden our sense of social responsibility. We would stand tall in our quest for integrity of life, yet not at others' expense. As the prairie stretches out until it becomes one with the sky, let us reach out to touch and be one with the natural world, and with one another.
