Chalice Lighting: *Light is Returning*
By Kate McPhee

Around us, light is returning.

It rekindles the spirit of life in the skeletons of trees.

It brings forth new shoots from the soil.

It wakes us from our winter slumber, and invites us to see
what lies beyond.

We light this chalice in the spirit of our Earth's awakening
and to reaffirm our commitment to the value of our
home.

Closing Words

"We need to save the Arctic not because of the

Prairie UU Society Bond of Union

We, the members of Prairie, wish to associate
ourselves together in a religious community which
affirms that we share a common humanity, that we
need one another, and that our futures are
inescapably bound together. Together we would
expand our intellectual horizons, enrich our sensory
experiences, and deepen our emotional
sensitivities. We would sharpen our ethical
awareness and broaden our sense of social
responsibility. We would stand tall in our quest for
integrity of life, yet not at others' expense. As the
prairie stretches out until it becomes one with the
sky, let us reach out to touch and be one with the
natural world, and with one another.

STJ #1064 *Blue Boat Home*

Though below me, I feel no motion
Standing on these mountains and plains
Far away from the rolling ocean
Still my dry land heart can say
I've been sailing all my life now
Never harbor or port have I known
The wide universe is the ocean I travel
And the earth is my blue boat home

Sun, my sail, and moon my rudder
As I ply the starry sea
Leaning over the edge in wonder
Casting questions into the deep
Drifting here with my ship's companions
All we kindred pilgrim souls
Making our way by the lights of the heavens
In our beautiful blue boat home

I give thanks to the waves upholding me
Hail the great winds urging me on
Greet the infinite sea before me
Sing the sky my sailor's song
I was born upon the fathoms
Never harbor or port have I known
The wide universe is the ocean I travel
And the earth is my blue boat home
