Recognizing the beauty around us and within us, in voice and spirit, we gather to light our chalice.

We are sharing our Offering with the Allied Wellness Center. The Wellness Center is a neighborhood Center with the purpose of promoting health and wellness of the mind, body and spirit of people living in the Allied, Belmar and Dunn’s Marsh neighborhoods. Through a philosophy of care and respect, we encourage participation and leadership to build a strong community. The Wellness Center connects people with important health resources and programs. Through a strong sense of community, and by encouraging everyone to make healthy choices, holistic wellness becomes available for all.

Parish Meeting August 29, after the service! We will be voting on a one word change to the bylaws and electing a member of the Committee on Ministry. We are hoping to keep the meeting short!

Zoom services are coming to an end. When Covid 19 shut down our in-person services, our wonderful Program Committee got creative and rapidly adapted. In March of 2020, we had our first virtual service on Zoom. We started meeting outside in person on 6/13/22, and since 7/18/21 we are finally back in our main meeting house for Sunday services. We have continued to offer Zoom as an alternative to meeting in person, but it is extremely challenging to manage the technology for both an in person service and a live virtual one on Zoom - we just don’t have the personnel or volunteers. The Program Committee has decided to discontinue Zoom moving forward.

Prairie UU Society Bond of Union

We, the members of Prairie, wish to associate ourselves together in a religious community which affirms that we share a common humanity, that we need one another, and that our futures are inescapably bound together. Together we would expand our intellectual horizons, enrich our sensory experiences, and deepen our emotional sensitivities. We would sharpen our ethical awareness and broaden our sense of social responsibility. We would stand tall in our quest for integrity of life, yet not at others' expense. As the prairie stretches out until it becomes one with the sky, let us reach out to touch and be one with the natural world, and with one another.

“Lessons Yet to Learn,” by Rev. Matt Aspin

Our saved history is made up of the ideas we have found to be valuable enough to pass down. As an ever evolving living tradition, our historians are the curators of our life-saving ideas. What new lessons are our historians capturing today?
