### Traveling Song Lyrics:

The men go walking, one by one,  
to town, to town.

The road is steep and very long,  
to town, to town.

Ruth is worried. Is Isaac safe?  
If not, who will come to his aid?  
And he still goes walking down  
to the town

All alone, down the road  
Boom - boom - boom

The men go walking, one by one,  
to town, to town.

The road is steep and very long,  
to town, to town.

Anna is worried, will Sam be safe?  
But Sam himself is not afraid  
And he still goes walking down  
to the town

All alone, down the road

### Friendship Song Lyrics:

The more we get together,  
Together, together,  
The more we get together,  
The happier we'll be.

For your friends are my friends  
And my friends are your friends.  
The more we get together,  
The happier we'll be.
