

Prairie Spring Parish Meeting

Order Of Service - May 18, 2025

Prelude: "The Earth is Reviving" Trad.
translated by T. Gwynn Jones. Performed by
the Prairie Choir, directed by Barb Park,
accompanied by Carl Wacker

Welcome: Ken Skog

Chalice Lighting by Jennifer McGlothin

As the first hint of green begins to peek
through the barren ground
As that little sprig grows into a healthy stem
As that stem grows into a stalk and forms a
bud
As that bud slowly opens with each new day
To form a yellow daffodil
Let us be, like that first hint of green, renewed
by the warm of the sun's rays
And ready to emerge with a new energy, ready
to face the day.
We light this chalice to bring a glimmer of that
warmth into our space.

Next Sunday: "Frances Dana Gage - Midwestern Morals" by Robin Proud

Frances Gage was a poet, novelist, journalist, activist and frequent speaker for abolition, women's suffrage, and temperance. While much of 19th-century progressivism was centered in the Northeast, she brought her ideals to her home region, from Ohio to Missouri.

Next Sunday in RE: We'll either walk to Marlborough Park to play or go downstairs to play games, depending on the weather.

Prairie Evening Potluck - Thurs, May 22, 6pm

You are invited to a Prairie Evening Potluck at Prairie's main building. Please bring a dish to share. There is no special occasion. Just friends sharing a meal. Please contact Patty Stockdale at pstockdale828@gmail.com if you plan to attend.

Prairie UU Society Bond of Union

We, the members of Prairie, wish to associate ourselves together in a religious community which affirms that we share a common humanity, that we need one another, and that our futures are inescapably bound together. Together we would expand our intellectual horizons, enrich our sensory experiences, and deepen our emotional sensitivities. We would sharpen our ethical awareness and broaden our sense of social responsibility. We would stand tall in our quest for integrity of life, yet not at others' expense. As the prairie stretches out until it becomes one with the sky, let us reach out to touch and be one with the natural world, and with one another.
